Institutional Distinctiveness

One of the missions of our college was to create patriotism among the students and to provide them an opportunity to serve the Nation in the form of serving in various defense services. The institution started NCC unit of 11th Maharashtra battalion by strenuous efforts from the academic session **1992-93** with the following goals and objectives.

- To provide students the platform for their inner instinct of patriotism.
- To create awareness about the importance of defense services among the rural and economically backward students.
- To provide opportunity to the students to get an easy entry in the national security forces.
- To makes student familiar with the National discipline and National responsibility.

Our college is the unique college for having NCC Unit in the Washim district. The college is situated in rural area and the majority of students are from economically and socially weaker section of the society. 90% of students are from SC, ST, VJNT, OBC categories. The students, who are physically strong and interested to serve the nation by joining defense services, are admitted in NCC Unit. The institution provides such student an opportunity to join their interested field by providing them training along with quality education.

The college has NCC unit of 50 cadets including 15 girls cadets under the 11th Maharashtra battalion Akola. The cadets are enrolled for three years in this program. During these three years the cadets have to undergo strict physical training focused on their physical fitness and discipline. The cadets have to complete the assigned activities like as weakly pared, drill, theory period etc. The cadets get opportunity of participating in battalion and National level camps in which they get weapon training. The cadets have to appear for B Cert. and C Cert. Exams. After successfully passing these exams the cadets get various opportunities to join defense services.

Since the foundation of NCC Unit a number of students are working in the field of National defense and security services and providing their services to the Nation.

Having NCC Unit is a distinctive character of our college in the district. At present there are only two NCC Units are active in the Washim district and ours is one of them.
