From The President's Desk,

Dhnyanganga Shikshn Prsarak Sanstha Wanoja started to run the college Smt. Salunkabai Arts and Commerce College with the vision of providing higher quality education to the students of this village and the students of surrounding area. As there were no higher institutions at that time, the students had to go near about 100 km away to pursue the higher education such as B.A., B.Com, M.A. and M.Com. So a group of farmers came together and decided to provide higher education to the students of this area. They planted a plant of higher education from B.A. and B.Com and now I am happy to see that the plant has immensely grown in to a tree with blossoming flowers and fruits of higher education. I am also happy to know that thousands of students have availed the benefits of higher education from this institution. Now we have providing education from junior college to senior college.
